

WHERE CAN I STUDY PLASMA PHYSICS?

Larger plasma physics programs:

- **Massachusetts Institute of Technology** - Cambridge, Massachusetts - www.psfc.mit.edu
- **Princeton University** - Princeton, New Jersey - plasma.princeton.edu
- **University of California Los Angeles** - Los Angeles, California - www.pa.ucla.edu
- **University of Wisconsin Madison** - Madison, Wisconsin - plasma.physics.wisc.edu

Smaller plasma physics programs:

- **Auburn University** - Auburn, Alabama - www.auburn.edu/cosam/departments/physics/research/plasma.htm
- **California Institute of Technology** - Pasadena, California - ve4xm.caltech.edu/Bellan_plasma_page
- **College of William and Mary** - Williamsburg, Virginia - www.wm.edu/as/physics/research/index.php
- **Columbia University** - New York City, New York - apam.columbia.edu/research-applied-physics-0#Plasma
- **Cornell University** - Ithaca, New York - www.lps.cornell.edu
- **Georgia Institute of Technology** - Atlanta, Georgia - frc.gatech.edu/fusion-research
- **Stanford University** - Stanford, California - web.stanford.edu/group/pdl
- **Swarthmore College** - Swarthmore, Pennsylvania - www.swarthmore.edu/ssx-lab
- **University of California Irvine** - Irvine, California - www.physics.uci.edu/research/plasma
- **University of California San Diego** - San Diego, California - physics.ucsd.edu/Research/PlasmaPhysics
- **University of Colorado Boulder** - Boulder, Colorado - www.colorado.edu/physics/research/plasma-physics
- **University of Illinois at Urbana-Champaign** - Urbana, Illinois - npre.illinois.edu
- **University of Iowa** - Iowa City, Iowa - physics.uiowa.edu/research/plasma-physics
- **University of Maryland** - College Park, Maryland - umdphysics.umd.edu
- **University of Michigan** - Ann Arbor, Michigan - mipse.umich.edu
- **University of New Mexico** - Albuquerque, New Mexico - physics.unm.edu/pandaweb/research/index.php
- **University of Rochester** - Rochester, New York - www.pas.rochester.edu/research/plasma-laser.html
- **University of Texas Austin** - Austin, Texas - www.frc.utexas.edu
- **University of Washington** - Seattle, Washington - www.washington.edu/research/energy/topics/generation/fusion
- **West Virginia University** - Morgantown, West Virginia - ulysses.phys.wvu.edu/plasma

**For research opportunities, contact university professors directly. Internships may be available through:
SULI and CCI programs: science.energy.gov/wdts/suli and science.energy.gov/wdts/cci/
